

Workplace Health Without Borders

FREE ONLINE WEBINAR

Monday, December 4, 2017- 1 pm Eastern time

Join us to learn about global workplace health and how you can improve it! Featured speakers will talk about critical issues affecting the health of workers throughout the world and some of the exciting initiatives WHWB has undertaken to help create healthier and safer working conditions.

WHWB is collaborating with partners in India to design affordable control technologies for agate grinders.

We are training local occupational hygienists in Africa and Asia. This will provide the foundation for building healthy workplace culture in developing countries.
